

WORSHIP MINISTRIES APPLICATION

CALVARY TEMPLE

Thank you for your interest in becoming a part of the CT worship ministry family!

Our mission is to help people experience meaningful, life-changing connection with God in our services and to equip and empower them to live as spirit and truth worshippers in their overall lives. We envision an ever maturing and ever expanding community of passionate worshippers who desire to use their gifts, talents, skills, and abilities to increase and advance the Kingdom of God in our region and beyond.

The first step in becoming a part is to fill out an application and drop it off at the Info Center in the foyer. After we receive and review your application, you will be contacted by a member of the worship ministry leadership team and scheduled for an interview/assessment meeting. The interview/assessment session is very low pressure and highly relational. We are in the people business and love the opportunity to get to know new people and promise to make you feel as comfortable as possible.

During the interview part of this meeting two of our leaders will get to know you and give you the opportunity to familiarize yourself with our ministry.

During the assessment time, you will be asked to demonstrate your abilities in your desired area of interest. Singers will be asked to sing; players will have the opportunity to play, etc. This is not a typical audition with pass or fail as the only possible outcomes. It is an opportunity for us to evaluate your abilities so that we can know where to place you.

We have two tracks that you could be assigned to; the development track and the deployment track. If we feel that you would be best served to have the opportunity to develop in areas that need improvement, we will assign you to the development track where you will have the opportunity to access teaching, training, and coaching to help you prepare for significant involvement in the worship ministries.

If you have the skills and abilities necessary for deployment into the worship ministry, we would move you into orientation where you will learn everything necessary to be comfortable and confident as you move into active ministry. Orientation includes a brief time of observation of Thursday night rehearsals and pre-service sessions.

So, let's get started! Fill out the application and turn it in. We will contact you, usually within one week, to set up an interview/assessment session.

We look forward to getting to know you and exploring possibilities of ministering together.

God bless!

The Worship Ministry Department
